

36th Annual Spin-In Fiber Fair Hosted by the Bishop Hill Fiber Guild

Saturday, October 15, 2016

8:30 am – 3:30 pm

Mossville Junior High and Elementary School
12207 N. Old Galena Road, Mossville, IL

www.bishophillfiberguild.org

Cost:

\$15.00 Full Experience ticket

(\$12.00 if pre-registered by October 3)

\$5.00 Shopping Only

Bishop Hill Fiber Guild invites you to come join us and enjoy a day of fiber and fun! The day will include vendors, classes, displays and more!

Bring your spinning wheel, knitting, crocheting or other projects and enjoy socializing with others and while working on your favorite fiber art.

This site is fully handicap accessible.

Lunch will also be available this year!

You may pre-order a Panera box lunch with your pre-registration this year. The box lunch option will only be available through pre-registration, we will not offer lunches at the door. You are still welcome to bring your own lunch to enjoy on site and several restaurant options are available with 15 minutes of the school.

Visit www.bishophillfiberguild.org for full details and registration

Classes

There will be class times throughout the day, including informational and hands on learning.

Beginning Spinning – Various instructors

Finding Your Fit - Gwyn Krause

Steeking - Lee Breeggemann

Weave-It: Small loom - Jennie Hawkey

Hardanger Embroidery - Carla Greby

Arm Knitting - Mary Ellen Wood

Viewers' Choice Awards

Bring your finished objects for display in this completion where everyone attending gets to vote. All full experience guests have a handful of beans to use to cast votes for their favorite items in several different categories. Who will win Best in Show? Ribbons will be awarded.

2016 Fiber Challenge: Hats Off to You!

Have you created a hat, beanie, or toque that was a personal challenge? Bring it along to display for everyone to see! This is not a competition, just a themed display. While you're there, vote for next year's Challenge theme!

Charity knitting project

Participants are invited to help us machine knit blankets for charity! We'll have your knitting machines set up and yarn will already be provided; all you need is your hands to push a carriage and a few minutes of your time to help us with this project!

Mystery Bag of Yarn/Fiber!

Bring along some de-stashed yarn or fiber (at least 100g/4oz) and turn it in at the designated table. At lunchtime, come pick out a new bag of mystery fiber to take home and love!
